

HOUSEHOLD GARBAGE COLLECTION

The Department of Public Works (DPW) collects household garbage from single-family homes and buildings with three (or fewer) apartments. DPW does not collect garbage from commercial establishments, including multi-unit apartment buildings (more than three units).

Properly prepared garbage containers can be placed for pick up any time after 6:00 p.m. the day before collection and before 7:00 a.m. the day of collection. You must return your empty containers to your property by 8:00 p.m. on collection day.

Garbage collection is done on a Monday for West Haverstraw residents, with the exception of a few Garnerville streets, and a Tuesday for Garnerville residents. If a Holiday falls on either collection day, collection will be done the following day.
