Statement – Coronavirus 03.20.2020

In response to the current health crisis, the Village Board and I have declared a local state of emergency. We are following Governor Cuomo's narrative and developed a plan to limit staff Village-wide.

Village Hall will remain open during regular business hours, Monday – Friday, 8:30 a.m. – 4:30 p.m.. We are requesting you call or email any questions or concerns to limit traffic and exposure at Village Hall. Many of the administrative employees will be working from home. We will do our very best to answer questions and concerns quickly and efficiently.

The Community Center and Justice Court will remain closed until further notice.

All collection services will continue with their normal schedule. Parks will remain open and we encourage you to get out for a walk.

***So much has happened in the past few days. Restaurants, businesses and schools are closing across the country. Parents are tasked with educating their children and many have moved to working from home. I don't believe any of us could have expected something like this or would have thought it could escalate so quickly.***

***We are strong and resilient. We will absolutely make it through this! However, it is important, now more than ever, that we come together as a community to support one another during this time. Check in on a neighbor, follow the guidelines in social distancing and try to stay at home as much as possible.***

Please have patience and understanding as we navigate through this difficult and unprecedented time.

I will do my very best to keep you informed as conditions change. Don't hesitate to contact me with any questions or concerns at 845-947-2800 or by email [mayor@westhaverstraw.org](mailto:mayor@westhaverstraw.org).

Very Truly Yours,
