Dear Local Resident:

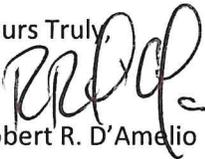

I'm writing to share some exciting news about a clean-up project in the Village. The property (30 N. Central Highway) located at the corner of Kaemmerlin Avenue and Central Highway, was recently donated to the Village. You may have already noticed stakes on the property lines.

Currently the property is overgrown and needs some much needed TLC. The Department of Public Works will be scheduling a cleanup by the end of the summer. During the cleanup the DPW will be cutting back much of the brush, and removing all the debris and litter. The Village has not made any final decisions regarding what the property will be in the future.

We are delighted to add additional green space to our Village. Once cleaned, we are asking for your cooperation in keeping the area free from litter.

If you have any questions or concerns, please do not hesitate to contact my office.

Yours Truly,

Robert R. D'Amelio  
Mayor
